Avoid **loss of security deposit and eviction** by abiding to these:

- ✦ No smoking of any kind in the lodge
- ✦ No pets
- ✦ No fires on the property
- ✦ Parking in garage and driveway only
- ✦ No driving on the lawn
- ✦ Respect private property. Keep play within our yard and out of shared driveway. Additionally, operation of motorized bikes, quads, snowmobiles is not permitted on the property or shared driveway.

Sledding on the shared driveway isn't permitted because this makes the road impossible for neighbors above to drive up it. There is a great sledding hill at the state park and elsewhere.

Please lock all doors, close windows and deposit key in the lockbox on your way out

Thank you and we hope your stay was pleasant
